WALES AUDIT OFFICE REPORTS AND ON GOING WORK

In your letter of 2 June you asked for a note on the reports that might come to the Committee between now and the end of 2010 – a matter that we were able to discuss when you visited the Wales Audit Office last week.

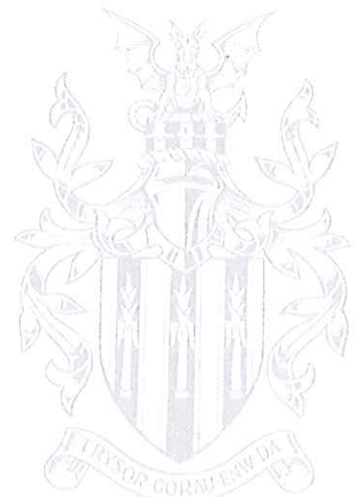

I am pleased, therefore, to attach a schedule that details the work that I plan to publish and bring to the Committee before the end of next year. As you know, this portfolio of current and potential studies should not be regarded as set in stone because I may need to respond to changing circumstances and to add new studies to the portfolio.

I will, of course, update the Committee on this portfolio when I consult the Committee this autumn on my plans for new topics.

Y - 2
Jeremy
