ANNEX A

Projected Month Legislation To Be Made – Is the month that the Legislation is likely to come before Plenary for approval. Members are notified of draft instruments under Standing Order 22.1, and notification usually occurs at least 6 weeks in advance of proposed instruments coming forward to Plenary. Upon notification, Members will be invited to make representations as to whether a proposed instrument merits formal consideration by a Subject Committee. The Deputy Presiding Officer is required to make a determination as to whether a proposed instrument is to be considered formally by a Subject Committee under the ‘extended’ procedure (see below), having regard to any advice the Business Committee may provide and any representations received from Members.

Minister’s Recommended Procedure - Is the Standing Order procedure that the Welsh Assembly Government is likely to recommend should be adopted having regard to the nature of the proposed instrument and judgement as to how much scrutiny AMs may want to exercise. The procedures are ‘Standard’ (Legislation Committee scrutiny and voted in Plenary with debate); ‘Accelerated’ (Legislation Committee scrutiny and voted in Plenary without debate); ‘Extended’ (formal Subject Committee scrutiny, Legislation Committee Scrutiny and voted in Plenary with or without debate).

This forward programme remains subject to Ministerial confirmation, change, addition or withdrawal of items.
