[1] **Michael German:** Good morning and welcome to this meeting of Legislation Committee No. 4, in which we are looking, for the first time, at the National Assembly for Wales (Legislative Competence) (Culture and Other Fields) Order 2009. No fire alarm drill is scheduled, so if you hear an alarm, get out quietly and follow the instructions that you are given by the clerks. If you are happy to accept that, all normal house rules apply.

Fields) Order 2009**

[2] **Michael German:** The purpose of this part of the meeting is for the committee to formally agree the terms of reference for the committee's scrutiny and evidence gathering. The role of the committee is to consider and report on the proposed National Assembly for Wales (Legislative Competence) (Culture and Other Fields) Order 2009. The committee must conclude its work and lay a report before the Assembly by 6 November 2009, in line with the timetable set by the Business Committee. We have already had informal discussions on the committee's approach to the scrutiny of the proposed Order. It was proposed that the terms of reference for the committee's work should be, first, to consider the general principles of the proposed Order and whether legislative competence in the area identified in matters 2.1, 3.1

and 16.4 should be conferred on the Assembly, and, secondly, to consider whether the terms of the proposed Order are too broadly or too narrowly defined. Are Members content with the terms of reference? I see that you are.

[3] It is also suggested that, based on the terms of reference for the committee's scrutiny, we take oral evidence from the Minister for Heritage at next week's committee meeting, on 8 July, that we issue a general call for evidence and invite written submissions from specific consultees, and that we take oral evidence in the autumn term. Are Members content with that approach? I see that you are.

[4] We can, therefore, conclude the formal part of the meeting. The next meeting will be on Wednesday 8 July, when we take evidence from the Minister.
