Dear Mr Rogers

Following nineteen exhaustive years of enquiries which I can now substantiate with comprehensive documentation I wish to ask the National Assembly to request that the Welsh Assembly Government rescind the decision by the Welsh Office to grant a Statutory Instrument in 1989 giving the Bangor Diocesan Trust the right to dispose of the property known as the Old School and School House, Caergeiliog. The request is based on evidence I can provide disputing the ownership of the property.

Should you require sight of this information please contact me so that we can arrange a meeting at your convenience. In the meantime I enclose ten signatories including contact details who are prepared to support my petition.

Yours sincerely

H Parry
