Dear Kirsty

On 27 January I appeared before the Committee to explain how I was mainstreaming sustainability into my portfolio. At the Committee I agreed to make two reports available to Members. These were the "Carbon Footprint of NHS Wales 2005 – 2009" report and "The NHS Estate in Wales: Estate Condition and Performance Report 2009/10" and are both attached.

A handwritten signature in black ink, appearing to be 'Edwina Hart', written in a cursive style.
