**ADRODDIAD GAN Y PWYLLGOR DEDDFAU      LEGISLATION COMMITTEE REPORT**

**The Care Standards Act 2000 (Extension of Meaning of “Social Care Worker”)  
Regulations 2002**

These give “social care worker” an extended meaning in relation to the duty of the Care Council for Wales to promote high standards in the conduct, practice and training of social care workers.

**Standing Order 11.5**

No points have been identified in respect of which the Committee needs to invite the Assembly to pay special attention.

**General Observations**

**Title**

To accord with normal practice the title should include a reference to indicate that the regulations are Wales regulations.

**Preamble**

The footnote should additionally direct the reader to the definition of “regulations” in section 121(1). It is necessary to look at this definition to find that the power to make regulations under section 55(3) is vested in the “appropriate Minister”.
