**ADRODDIAD GAN Y PWYLLGOR DEDDFAU      LEGISLATION COMMITTEE REPORT**

**The Bovines and Bovine Products (Trade) (Amendment) (Wales) (No. 2) Regulations  
2002, SI 2002 No.2325 (W.232)**

These make detailed amendments to the 1999 regulations, as outlined in the explanatory note.

**Standing Order 11.5**

The Assembly is invited to pay special attention to the regulations on the basis that the drafting appears to be defective in the following respect.

Regulation 2(2)(c) revokes the definition of “export dedicated establishment” in the 1999 regulations but this term is not removed or amended where it is used in regulation 11(3)(c) of the 1999 regulations.

It has been submitted, on behalf of the Minister, that the removal of the definition of export dedicated establishment renders the sub-paragraph containing that term superfluous. It is said that whilst failure to revoke it was an oversight, this does not affect the operation of the remainder of the paragraph.

It is considered that the opportunity should be taken to revoke sub-paragraph (c ) when the 1999 regulations are next amended.

**Observations**

Some typographical and similar points which have been identified have been drawn to the attention of those responsible for the processing of these regulations so that they can be covered in a correction slip.
