Thank you for your letter of 14th June requesting a timetable for the implementation of the recommendations contained in the Public Accounts Committee's Report on Communities First, which I promised during the plenary debate on the 26th May 2010.

I attach a copy of the timeline for the implementation of the actions, all of which include target dates. A full report on progress will be provided next April, as stated in the Government's response to the Committee report.

Yours sincerely
