## **6. Forthcoming Business**

### **BC(2)05-06(p11)**

6.1 The Business Minister responded to requests from Business Managers and said that:-

- There was no intention of scheduling a statement on the Business Incentives Grant, but the Minister for Local Government and Public Services would notify the Local Government and Public Services Committee of the interim distribution of Local Authorities Business Growth Incentives Scheme in its next meeting.
- The Minister for Health and Social Services would be making a statement on progress towards free home care for the disabled on 15 February.
- A debate on NHS Trust Finances would be scheduled once the financial outturn figures were known at the end of this financial year.

### **This Week's Business**

### **BC(2)05-06(p12)**

6.2 The Committee considered this paper, which detailed the Assembly's agreed business for the week.

6.3 The Business Minister said that the statement on British Sign Language (BSL), which had been scheduled for Tuesday, had had to be postponed because of the practicalities of providing BSL interpretation in the new Chamber. The Committee agreed to refer the issue of the provision of facilities for BSL interpretation to the House Committee for urgent consideration at its meeting on 9 February.

6.4 The Business Minister said that the indicative timings for Wednesday's meeting showed that the meeting would overrun. She suggested that, if Business Managers wished, the debate on the use of B&Bs for homeless families, which had been scheduled for Wednesday 8<sup>th</sup> February, could be moved forward to Tuesday 7<sup>th</sup> February. Business Managers said they felt that it would be preferable for the debate to take place on Wednesday, and suggested that the meeting could be extended if there was a lack of time.

#### Business Manager's Requests

6.5 Jocelyn Davies asked if a statement could be made on WDA pensions. Business Managers supported this request.

6.6 Peter Black asked if a statement could be made on the provision of Herceptin.
