1 December 2009

Dear Janice

In July 2008, during the Plenary debate on the National Assembly for Wales Communities and Culture Committee Report into "The Funding of Voluntary Sector Organisations in Wales" I agreed to provide regular updates on progress with the implementation of the Committee's recommendations.

I am therefore enclosing a table detailing progress made to November 2009.

As I have mentioned previously, many of the recommendations complement current and proposed activities the Welsh Assembly Government is undertaking in implementing "The Third Dimension - A Strategic Action Plan for the Voluntary Sector Scheme".

I am sure you will agree that good progress is still being made and I look forward to providing the Communities and Culture Committee with an oral update in the Spring term.

Yours sincerely
