Dear Minister

CA531 - The National Health Service (Concerns, Complaints and Redress Arrangements) (Wales) Regulations 2011

The Constitutional Affairs Committee considered the above Statutory Instrument at its meeting on 17 March 2011 and agreed that I should bring to your attention the Committee's report made under Standing Order 15.3 on the merits of the Instrument.

The Committee agreed to invite the Assembly to pay special attention to this Instrument on the grounds that it gives "rise to issues of public policy likely to be of interest to the Assembly" (Standing Order 15.3(ii)).

The Committee's report was laid in the Table Office on 4 March and is attached for information. I would be grateful if you could consider the report and let the Committee have your response in due course.

I am copying this report to the Counsel General for information and have also arranged for the report and this letter to be drawn to the attention of Assembly Members.

Yours sincerely

Janet Ryder AM
Chair, Constitutional Affairs Committee
