

MID WALES REGIONAL COMMITTEE

Forward Work Programme to end 2000

The Committee has two meetings scheduled for the autumn term. In accordance with the decision of the Regional Chair's Meeting one agenda deals with a regionally focused issue and the second agenda with a broader National Assembly central issue.

The format of the meetings has been changed slightly to accommodate a fuller discussion on a key issue and to receive a shorter presentation from a local organisation about their work in the region. The format for public presentations will follow the usual practice.
