

LOCAL GOVERNMENT AND HOUSING COMMITTEE

PROGRESS REPORT TO PLENARY

Purpose

1. To invite the Committee to agree a report summarising its work since March 2000.

Background

2. Standing Order 9.9 requires subject committees to maintain a rolling programme of work covering periods of at least 12 months, and to report to plenary from time to time on progress. The Panel of Chairs has agreed that subject committees' annual progress reports this year will include a summary of committees' work since their election in 1999 or 2000. The reports will be laid before plenary, but will not be debated.

Annual Report

3. A draft report is attached at **Annex A** (the final version will be bilingual). It summarises the Committee's activities (and activities of the Local Government and Environment Committee from May 1999 to February 2000) between March 2000 and March 2003.
4. At **Annex B** is a suggested list of issues arising in the portfolio next year, which may be of interest to the new committee(s) of the Assembly.

Recommendation

5. The Committee is invited to agree the attached draft report and topics that may be of interests to the new Assembly committee(s).
