## MATTERS ARISING FROM PUBLIC ACCOUNTS COMMITTEE MEETING HELD ON 19 JANUARY 2011

## Costs of external training for Mr Jeremy Colman

At the meeting of the Public Accounts Committee on 19 January 2011, I undertook to provide further information on the costs of external training provided to Mr Jeremy Colman, the former Auditor General for Wales.

The following table sets out the Wales Audit Office's annual expenditure on Mr Colman's external training from 1 April 2005 to 3 February 2010, the date of his resignation from office.

Financial Year	Annual expenditure	Cumulative expenditure
2005-06	537.50	537.50
2006-07	8,858.38	9,395.88
2007-08	18,814.43	28,210.31
2008-09	9,315.59	37,525.90
2009-10	90.00	37,615.90
	Average annual expenditure	7,782.60

A more detailed schedule of this training is <u>appended</u> to this letter. Please note that it does not include costs for Mr Colman's travel and accommodation, where these were incurred. However, travel and subsistence costs for both Mr Colman and Mr Snow are covered later in this letter.

E-mail: huw.vaughan.thomas@wao.gov.uk

In my letter of 12 January 2011, in which I provided the Committee with information on the costs of external training for Mr Anthony Snow, I also set out some comparative information on the levels of training expenditure on other Wales Audit Office staff. Now that the information in respect of Mr Colman has also been collated, I am able to update that table as follows:

Average annual spend on external training	Cost (net of recoverable VAT) £
Mr Jeremy Colman	7,782.60
Mr Anthony Snow	8,811.83
WAO Partners (excluding JC and AS)	727.60
All other WAO staff	821.06

I should add that, wherever possible, training and development activities are delivered to Wales Audit Office staff by their colleagues, in order to minimise costs. External trainers are only used where we do not possess the necessary specialised in house capability.

## Travel and subsistence costs of Mr Colman and Mr Snow

In your letter of 26 January 2011, you also asked for details of the travel and subsistence costs of Mr Colman (throughout his tenure as Auditor General) and of Mr Snow (during the entire period of his employment by the Wales Audit Office).

I enclose copies of the information that we hold, all of which is already publicly available on the Wales Audit Office's external website, as follows (JC = Jeremy Colman; AS = Anthony Snow):

\* <u>Note</u>: For the 2007-08 financial year, our records of travel and subsistence costs for Mr Colman and Mr Snow are not entirely complete. This is because archived invoice information on some aspects of Wales Audit Office expenditure relating to Aug-Oct 2007 cannot be located, despite an exhaustive search of our archives.

## Expenditure on subscriptions for Mr Colman and Mr Snow

Your letter of 26 January 2011 also requested information on subscriptions paid by the Wales Audit Office in respect of Mr Colman and Mr Snow.

In the case of Mr Colman this comprised expenditure on periodicals, and the annual costs are set out below:

Jeremy Colman subscriptions:	Cost (£)
Annual subscription to: 'The Daily Telegraph' (from 2005)	260.00
Annual subscription to: 'The Spectator' magazine (from 2007)	137.16
Total annual cost for periodicals (at 2009-10 prices)	397.16

In the case of Mr Snow, in common with other Wales Audit Office staff holding relevant professional qualifications, his annual membership fees for his professional body were met by the employer.

Those annual fees were as follows:

Anthony Snow subscriptions:	Cost (£)
The Association of Chartered Certified Accountants (ACCA) – annual professional membership fees:	
2005-06	170
2006-07	170
2007-08	175
2008-09	181
2009-10	Nil*

\* For the 2009-10 financial year, Mr Snow's ACCA membership subscription fell due after he had left the employment of the Wales Audit Office

I hope that this information is helpful to the Committee.

You Al.

Travel claims do not generally record the identity of particular suppliers. Further work would be needed to trace and summarise details from supporting vouchers.
 The cost net of recoverable VAT is not recorded on invoices or travel claims. The amount has been calculated in order to indicate

the actual cost to the WAO.
