

ENGINEERING DISCIPLINES BY FE COLLEGE

College	Engineering disciplines within curriculum offer	Grade at last inspection (since 2002)
Barry	Aeronautical and aerospace (including avionics) Manufacturing Engineering design (CAD) Mechanical maintenance and repair Electrical maintenance and repair Mechanical machining Electronics and Microelectronics Motor vehicle maintenance and repair (staffed by CGH)	2 (2007)
Bridgend	Manufacturing Engineering design (CAD) Mechanical maintenance and repair Electrical maintenance and repair Mechanical machining Electronics and microelectronics Motor vehicle maintenance and repair	1 (2004)
Sir Gar	Manufacturing Engineering design (CAD) Mechanical maintenance and repair Mechanical machining Fabrication and welding Electronics and microelectronics Agricultural	1 (2008)
Ceredigion	Motor vehicle maintenance and repair	2 (2008)
Deeside	Aeronautical and aerospace (including avionics) Manufacturing Engineering design (CAD) Mechanical machining Fabrication and welding Electronics and microelectronics Motor vehicle maintenance and repair	1 (2007)
Glan Hafren	Motor vehicle maintenance and repair	n/a
Gorseinon	Motor vehicle maintenance and repair Electronics and microelectronics	n/a
Gwent	Manufacturing Engineering design (CAD) Mechanical maintenance and repair Electrical maintenance and repair Mechanical machining Fabrication and welding	3

	Motor vehicle maintenance and repair	
Llandrillo	Marine Manufacturing Engineering design (CAD) Mechanical machining Electronics and microelectronics Environmental Motor vehicle maintenance and repair	n/a
Llysfasi	Agricultural Motor vehicle maintenance	2 (2009)
Meirion Dwyfor	Marine Mechanical machining Motor vehicle maintenance and repair	3 (2002)
Merthyr Tydfil	Manufacturing Mechanical machining Mechanical maintenance and repair Motor vehicle maintenance and repair	3 (2004)
Pembrokeshire	Marine Manufacture Mechanical maintenance and repair Electronics and microelectronics Fabrication and welding Mechanical machining	1 (2007)
Morgannwg	Aeronautical and aerospace (including avionics) Manufacturing Engineering design (CAD) Fabrication and welding Mechanical maintenance and repair	1 (2005)
Powys	Manufacturing Mechanical machining Fabrication and welding Mechanical maintenance and repair	2 (2003)
St. David's	Design technology	2 (2006)
Swansea	Manufacturing Mechanical machining Engineering Design (CAD) Mechanical maintenance and repair Electrical maintenance and repair Electronics and microelectronics	2 (2002)
WCH	Mechanical Maintenance and repair	n/a
Yale	Aeronautical and aerospace Manufacturing Mechanical machining Engineering design (CAD) Mechanical maintenance and repair	1 (2004)

	Electrical maintenance and repair Electronics and microelectronics Motor vehicle maintenance and repair	
Ystrad Mynach	Aeronautical and aerospace Manufacturing Mechanical machining Engineering design (CAD) Mechanical maintenance and repair Electronics and microelectronics Motor vehicle maintenance and repair	3 (2004)
WEA South	General engineering	n/a
Menai	Marine Manufacturing Mechanical machining Engineering design (CAD) Mechanical maintenance and repair Electronics and microelectronics Motor vehicle maintenance and repair	3 (2002)
Neath Port Talbot	Manufacturing Engineering design (CAD) Mechanical maintenance and repair Electronics and microelectronics	n/a
Harlech/WEA North	General engineering	n/a
