Response from: Individual

Hi, My name is XXXXX XXXXXX and I'm in Year 11 in Pen Y Dre High School, Merthyr Tydfil. I was expecting to be busy with exams right now but COVID-19 has cut my school experience short! I'll admit, it's strange to not be in the same school routine but I have enjoyed being at home. I usually spend a lot of time in the Art room in school and have missed it. Luckily XXXX, the Artist in Residence from Pen y Dre has been posting a daily Art challenge on social media every day which I have taken part in. It is nice to have achieved something at the end of each day! I video chat my Nan every lunchtime and enjoy helping my sister with her school work too! My Mam is working from home so I have been making food and doing shopping. I think it has really helped that the weather has been nice so we can get out for a walk every day. On the whole my life in lockdown hasn't been too bad but it will be nice to get back to normal again!!
