To whom it may concern,

I would very much like to know why tennis cannot be opened up in Wales at this present time? The LTA in consultation with England & Scotland have provided clear guidelines on how to play & coach safely. It would be far more dangerous to meet family in small outdoor gardens or while shopping at supermarkets.

Being a LTD Company Director I find myself with little to no financial support from either government. I can no longer provide for my family if you continue to stop my business from operating. This is grossly unfair considering my colleagues in the other home nations can work.

I look forward to hearing from you.
