

The Rt Hon Lord Deben  
Chair  
Climate Change Committee

2 March 2021

Dear Lord Deben

On behalf of the Climate Change, Environment and Rural Affairs Committee, I would like to thank you for attending our meeting on Thursday 25 February to discuss progress made to reduce carbon emissions in Wales and the Climate Change Committee's latest advice to the Welsh Government.

We found your contributions both informative and insightful, providing us with valuable evidence for our ongoing work on climate change and decarbonisation.

As agreed during the meeting, it would be helpful if you could provide the Committee with further details of when you expect the new set of indicators to measure Wales' progress on the path to net zero to be published.

I look forward to receiving a response from you in due course.

The Committee wishes you well and hopes to have an opportunity to welcome you back to another meeting in the future.

Kind regards,

**Mike Hedges MS**
