Dear Mark

Committee Inquiry into forestry and woodland policy in Wales

In advance of our full response to the Climate Change, Environment and Rural Affairs inquiry into forestry and woodland policy in Wales, CLA Cymru would like to offer you and your committee colleagues an opportunity to visit a woodland based business to discuss with practitioners the challenges faced by the sector in Wales.

We would be happy to arrange a visit with a CLA member at a location of your convenience. If this is something that you think may benefit the inquiry, please let me know your availability and I will make the necessary arrangements.

Yours sincerely

Rhianne Jones
Policy Advisor, CLA Wales
