13 February 2015

Further to my letter to you on 16 January (MD/00041/15) and your question to both the First Minister and Minister for Finance and Government Business on 3 February, I can confirm that Dr Tracey Cooper, the chief executive of Public Health Wales, has been appointed as the new chair for the Welsh Neuromuscular Network.

As I suggested in my letter of 16 January, it would be good for you to meet with the new chair to discuss the issues raised at the meeting of the cross-party group on muscular dystrophy and neuromuscular conditions.

I will copy this letter to Dr Cooper and include a copy of your letter of 19 December and my letter of 16 January so she is aware of the background. Please contact Julie Lake in her office to arrange a meeting. Julie can be contacted on 029 2082 7652.
