Agriculture (Wales) Bill

Evidence from: Janet M Griffith

Dear sirs,

I should be most grateful if you will push very hard to ban the use of snares and similar trapping devices and also the manufacture and sale of such items. Snares are in discriminate in what animal it traps. They do not know the difference between a fox, badger, rabbit, etc. All the animals that are needed to keep our land diversified in all ways.

Thank you for your time.

Yours faithfully,

Janet M. Griffith (Mrs.)
