Good evening,

Banning snares is necessary and most definitely must be undertaken.

It is a credit to Wales they will be banned.

We must also ban the manufacture of snares, the owning of them or the selling of them.

I hope you will recognise there is no such thing as a humane snare.

As a member of the Welsh public, I am exceptionally proud we are banning snares, and you can be proud of yourselves at Senedd for such a positive and ethical development.

Diolch yn fawr iawn

Yours faithfully

Jane Hurley
