

POE72 Individual

Senedd Cymru | Welsh Parliament

Bil arfaethedig – Bil Addysg Awyr Agored (Cymru) | Proposed Outdoor Education (Wales) Bill

Ymateb gan Individual | Evidence from Individual

In what capacity are you responding: Aspiring provider

Your opinion

How important is outdoor education to children and young people's overall education and development?

Very important

What are the main benefits to children and young people from having a residential outdoor education experience?

To inspire them, to encourage them to develop skills such as teamwork, independent thinking, leadership and independence.

Should children and young people have a guaranteed opportunity to participate in a residential outdoor education experience, at some stage during their school years, if they wish to?

Yes

Should an opportunity to participate in a residential outdoor education experience, at some stage during their school years, be free of charge on one occasion to pupils?

Don't know

What are the main barriers which you believe currently exist to children and young people accessing residential outdoor education experiences?

Financial constraints; Health reasons; Disabilities; Parental anxiety / uncertainty; Child anxiety / uncertainty; Capacity of residential providers;

Equality Considerations: Could the proposed Bill have any positive impacts on some children and young people in particular? If so, who and why?

It could be good for people who may not have previously had the opportunity

Equality Considerations: Could the proposed Bill have any negative impacts on some children and young people in particular. If so, who and why? What could this Bill do to mitigate any negative impacts?

Perhaps people who still aren't able to go on these residential.

What age do you believe is most suitable for children and young people to be offered an opportunity to undertake a residential outdoor education experience?

Older (please state below)

Year 6-9

Is four nights/five days the best length for a residential outdoor experience?

Yes

Please explain your answer and highlight any possible implications from having a standard approach of four night/five day experiences (whether positive or negative).

5 nights would be a school weeks worth.

Do you agree there is a need for legislation to ensure all children and young people are given an opportunity to access a residential outdoor education experience, at some stage during their school years?

Strongly agree

Is there anything else you would like to say about this proposal?

No
