Yes but only if support is paid for to accompany children on the residential

Equality Considerations: Could the proposed Bill have any negative impacts on some children and young people in particular. If so, who and why? What could this Bill do to mitigate any negative impacts?

Not that I can think of

What age do you believe is most suitable for children and young people to be offered an opportunity to undertake a residential outdoor education experience?

Year 6 (age 10-11)

Is four nights/five days the best length for a residential outdoor experience?

No

Please explain your answer and highlight any possible implications from having a standard approach of four night/five day experiences (whether positive or negative).

I think shorter as children with anxiety would probably be more willing to stay away from home for a shorter time.

Do you agree there is a need for legislation to ensure all children and young people are given an opportunity to access a residential outdoor education experience, at some stage during their school years?

Agree
