### Your opinion

**What are the main good things for children about having an overnight outdoor education visit?**

Most memorable experience of my primary school.

**What gets in the way of children taking part in overnight outdoor education visits?**

Cost;

**How can people make sure children have the best possible time at overnight outdoor education visits?**

Challenging activities that push you out of your comfort zone . And good food of course !

**On a scale of 1 to 10, how important is it for all children have the chance to do a free overnight outdoor education visits at some time?**

10

**What is the best age or year to go**

Yr 5/6

**How long should the trip be for?**

2 nights although I only went for 1 and it was brilliant

**Which groups of children would get the most out of taking part in an overnight outdoor education visit, and why?**

Children at the start of a new school year as it would be great to get to know everyone better and get to know your new teacher .

**Should it be a law that children can go on at least one free overnight outdoor education visit?**

Yes

**Please tell us any other ideas that should be in the new law**

---

Probably should do a short trip 1 night in Yr 3/4 and then 2/3 nights in Yr 5&6 .

Should link activities to school work where possible to make teaching more interactive

Getting children active at a young age will help make them active adults and will probably cost the country less in health problems . Wales has a brilliant landscape and all children should be able to explore it and care for it
