

STANDING ORDER 25 – Legislative Competence Orders in Council to be made under section 109 of the Act	
<p>Member Proposed and Draft Orders <u>Proposals for an Order by a Member, other than a member of the Government</u></p>	<p>Amend these Standing Orders Standing Orders 25.26 – 25.34 provided procedures for Members of the Third Assembly to propose Legislative Competence Orders under Part 3 of the Government of Wales Act 2006.</p> <p>Given that the Assembly is now able to legislate within the 20 subject areas listed in schedule 7 to the Act, it is anticipated that the need to bring forward Orders in Council to amend Schedule 7 is likely to be reduced in comparison with the level of Legislative Competence Orders brought forward during the Third Assembly to amend schedule 5.</p> <p>The new draft SOs provide a mechanism for Members other than Members of the Government to table a motion proposing that the Welsh Government should bring forward a proposed Order.</p>
<p>25.26 Standing Orders 25.27 to 25.34 apply only to Member proposed and draft Orders</p>	<p>Delete this Standing Order</p> <p>This Standing Order is no longer necessary</p>
<p>25.27 The Presiding Officer must from time to time hold a ballot to determine the name of a Member, other than a member of the government, who may seek agreement to lay a Member proposed Order under Standing Order 25.30.</p> <p><u>Any Member, other than a member of the government, may table a motion calling on the government to introduce a proposed Order under Section 109 of the Act.</u></p>	<p>Replace this Standing Order</p>
<p>25.28 The Presiding Officer must include in the ballot the names of</p>	<p>Replace this Standing Order</p>

<p>all those Members who have applied to be included and who have applied to be included and who have provided an outline proposed Order and an Explanatory Memorandum.</p> <p><u>At the same time that a Member tables a motion under 25.27, he or she must also table an explanatory memorandum which must provide the following information:</u></p> <ul style="list-style-type: none"> <u>i) the impact the proposal for an Order would have on the Assembly’s legislative competence;</u> <u>ii) an explanation of why the Member considers the Order to be necessary;</u> <u>iii) details of any support received for the proposal, including details of any consultation carried out.</u> 	<p>Any Member tabling a motion under SO 25.27 will need to provide an explanatory memorandum including information similar to that which needs to be provided before entering the ballot for a Member proposed Bill.</p> <p>This both prevents spurious motions being tabled, and ensures that sufficient information is made available so that other Members can come to an informed decision about whether to support the motion or not.</p>
<p>25.29 No Member who has previously had agreement to lay a proposed Order in that Assembly may apply to be included in the ballot.</p> <p><u>If a motion tabled under Standing Order 25.27 has the support of at least ten Members who together belong to at least three different political groups, the Business Committee must refer the motion and explanatory to a committee or committees for consideration.</u></p>	<p>Replace this Standing Order</p> <p>It is proposed that a motion must achieve a certain level of support, both in terms of absolute number of Members and cross-party support, before Business Committee has to refer the motion to a committee or committees for detailed consideration.</p> <p>That support could either be made clear at the time of tabling, or could result from Members adding their names to the motion after it has been tabled.</p> <p>A total of ten Members representing three different parties is suggested as a starting point for discussion.</p>

<p>25.30 A Member who is successful in a ballot may, within 25 working days of the date of the ballot, table a motion that the Assembly agrees that the Member may lay a proposed Order, to give effect to the outline proposed Order to which it relates, and an Explanatory Memorandum.</p> <p><u>Where a motion under Standing Order 25.27 is referred to a committee or committees for consideration in accordance with Standing Order 25.29, the Business Committee must establish and publish a timetable for the committee or committees to consider and report on it.</u></p>	<p>Replace this Standing Order</p> <p>This Standing Order ensures that the proposal is reported on within a reasonable timeframe, and is given appropriate priority by the committee or committees in question.</p>
<p>25.30A <u>Time must be made available for a motion referred to a committee or committees under Standing Order 25.29 to be debated, and such a motion cannot be moved until either:</u></p> <ul style="list-style-type: none"> (i) <u>the committee or committees have reported in accordance with Standing Order 22.59; or</u> (ii) <u>the deadline by which the committee or committees are required to report in accordance with Standing Order 25.30 has been reached.</u> 	<p>Introduce New Standing Order</p> <p>This Standing Order ensures that the proposal for an Order can be properly considered and scrutinised by the committee(s) in question before the motion calling on the Government to lay a proposed Order is debated.</p> <p>The Committee’s report will inform Members’ consideration of the motion.</p>

<p>25.31 A motion under Standing Order 25.3027 is not amendable</p> <p><u>No amendment to a motion under Standing Order 25.27 may be tabled if it would not be clear from a resolution of the Assembly approving the motion as amended by such an amendment how the Assembly wished to see its legislative competence altered.</u></p>	<p>Replace this Standing Order</p> <p>The new Standing Order ensures as much clarity as possible in the motion passed, while allowing the motion to be amended in light of the committee's report.</p> <p>The new Standing Order gives the Presiding Officer discretion in the selection of amendments, and mirrors a similar provision which was in place during the Third Assembly for draft Orders.</p>
<p>25.32 Time must be made available for a motion tabled under Standing Order 25.30 to be debated within 35 working days of the date of the ballot (not counting working days in a non-sitting week).</p>	<p>Delete this Standing Order</p> <p>Delete this Standing Order</p>
<p>25.33 Unless a motion under Standing Order 25.30 is agreed to, no further proceedings are to be taken on the proposed Order.</p>	<p>Delete this Standing Order</p> <p>This Standing Order is no longer necessary</p>
<p>25.34 If a motion under Standing Order 25.3027 is disagreed to, then no Member may table a motion under enter any ballot held under Standing Order 25.27 for a period of six months after the motion has been disagreed to if, in the opinion of the Presiding Officer, the proposed Order which he or she is intending to lay motion seeks to confer the same, or substantially the same, legislative competence as the proposed</p>	<p>Amend this Standing Order</p> <p>The new Standing Order provides for the continuation of the previous provision which prevented substantially the same proposal being made again within a six month period of being rejected by the Assembly.</p>

Order referred to in the motion which has been disagreed to.	

SO 26 – Acts of the Assembly	
<p>26.86 Where a Member was the Member in charge of a Member proposed Order tabled a motion under Standing Order 25.27 which became <u>led to</u> an Order in Council made by Her Majesty under section 95<u>109</u> of the Act, that Member may introduce one Member proposed Measure a <u>Bill</u> relating to that Order within nine months of the Order <u>coming into force</u> being made. This does not affect a Member's right to enter a ballot held under Standing Order 26.87.</p>	<p>Amend or Delete this Standing Order</p> <p>Members of the Third Assembly were able to propose Legislative Competence Orders under Part 3 of the Government of Wales Act 2006. This Standing Order provided that any Member who successfully steered a Legislative Competence Order to Royal Approval would automatically be able to introduce a proposed Measure which related to his or her original Legislative Competence Order.</p> <p>Business Committee will need to consider whether the same provision to introduce a related Bill should apply in the case of a Member tabling a motion which initiated a section 109 Order.</p> <p>Unlike Member proposed LCOs during the Third Assembly, the Order in this case will in fact be taken forward by the Welsh Government. It is possible that the final Order will be very different to the one originally intended by the individual Member. Subjects could have been added to or removed from the Order, the meaning of 'related to' could be difficult to define.</p> <p>On the other hand, removing the provision may have the effect of being a disincentive to an individual Member initiating an Order.</p> <p>Should Business Committee decide that such a provision should not be included, then this SO will need to be deleted.</p>
