## SCHEDULE 3

### Employment

#### Interpretation

**1.** In this Schedule—

“relevant transfer” means—

a transfer of one or more functions to the Natural Resources Body for Wales or the Welsh Ministers by virtue of the Natural Resources Body for Wales (Functions) Order 2013;

the delegation to the Natural Resources Body for Wales of any functions of the Welsh Ministers relating to plant health; or

a transfer to the Welsh Assembly Government of work to support the formulation or development of the Welsh Ministers’ policies relating to the environment (where that work was, prior to the transfer date, undertaken by employees of the Countryside Council for Wales or the Forestry Commissioners);

“transferee” means—

(a) the Natural Resources Body for Wales, in the case of a transferring employee whose employment is transferred by article 7, 8 or 9;

the Welsh Ministers, in the case of a transferring employee whose employment is transferred by article 10 (and in relation to such a transferring employee, references to employment with the transferee are to employment as a member of staff of the Welsh Assembly Government);

“transferor”, in relation to a transferring employee, means whichever of the Countryside Council for Wales, the Environment Agency or the Forestry Commissioners was the employer of that transferring employee immediately before the transfer date.

#### Continuity of employment

**2.**—(1) Subject to paragraph 3, a relevant transfer does not operate so as to terminate those contracts of employment of transferring employees which would otherwise be terminated by the relevant transfer, but each such contract of employment has effect from the transfer date as if originally made between the transferring employee and the transferee.

(2) On the transfer date, all the transferor’s rights, powers, duties and liabilities under or in connection with the contract of employment of each transferring employee are transferred to the transferee.

(3) Anything done by or in relation to the transferor in respect of any transferring employee or the contract of employment of any transferring employee is deemed on and after the transfer date to have been done by or in relation to the transferee.

(4) Sub-paragraphs (2) and (3) do not—

apply to obligations and liabilities under pension schemes (save as expressly provided for within this Scheme); or

transfer or otherwise affect the liability of any person to be prosecuted for, convicted of and sentenced for any offence.

(5) The period of continuous employment of a transferring employee with the transferor prior to the transfer date counts as a period of employment with the transferee, and the relevant transfer by operation of this Scheme does not break the continuity of the transferring employee’s period of employment.

## Termination of employment

3.—(1) Paragraph 2 does not operate to transfer the contract of employment and the rights, powers, duties and liabilities under or in connection with it of an employee who objects to becoming employed by the transferee and informs the transferor or the transferee of that objection (but this is without prejudice to paragraph 4).

(2) Subject to sub-paragraphs (3) and (4), where an employee so objects, the relevant transfer operates so as to terminate the employee's contract of employment with the transferor on the transfer date but the employee is not to be treated, for any purpose, as having been dismissed by the transferor.

(3) Where the relevant transfer involves or would involve a substantial change in working conditions to the material detriment of an employee whose contract of employment is or would be transferred under paragraph 2, that employee may treat the contract of employment as having been terminated, in which event the employee is to be treated for all purposes as having been dismissed by the employer, but no such right shall arise by reason only of the change in employer effected by this Scheme.

(4) Paragraph 2 and the preceding provisions of this paragraph are without prejudice to any right of an employee arising apart from this Schedule to terminate that employee's contract of employment without notice in acceptance of a repudiatory breach of contract by the employer.

(5) Where any employee is treated as having been dismissed by an employer by virtue of sub-paragraph (3), the employee is to be treated for the purposes of Part 10 of the Employment Rights Act 1996(a) (the "1996 Act") (unfair dismissal) as unfairly dismissed if the sole or principal reason for the dismissal is—

the relevant transfer; or

a reason connected with the relevant transfer that is not an economic, technical or organisational reason entailing changes in the workforce.

(6) This sub-paragraph applies for the purposes of sub-paragraph (3), where the sole or principal reason for the dismissal is a reason connected with the transfer that is an economic, technical or organisational reason entailing changes in the workforce of either the transferor or the transferee (as the case may be) before or after a relevant transfer.

(7) Where sub-paragraph (6) applies—

sub-paragraph (5) does not apply;

## **EXPLANATORY NOTE**

*(This note is not part of the Scheme)*

This transfer scheme is made in connection with the Natural Resources Body for Wales (Functions) Order 2013 (“the Order”), which transfers functions of the Countryside Council for Wales, Welsh devolved functions of the Environment Agency and the Forestry Commissioners, and certain functions of the Welsh Ministers relating to the environment, to the Natural Resources Body for Wales (“the Body”). The Order also abolishes the Countryside Council for Wales, and transfers certain powers to make subordinate legislation and functions relating to plant health from the Forestry Commissioners to the Welsh Ministers.

Articles 3 to 6 of the scheme make provision for the transfer of property, rights and liabilities other than those relating to employees. Article 3 transfers to the Body all property, rights and liabilities of the Countryside Council for Wales. Articles 4 and 5, together with Schedules 1 and 2, transfer property, rights and liabilities to the Body from the Environment Agency and the Forestry Commissioners. Article 6 transfers to the Body records relating to the Welsh Ministers’ species licensing functions (which are transferred to the Body by the Order).

Articles 7 to 11, together with Schedules 3 to 5, provide for the transfer of employees and of liabilities relating to employment and pensions. Those articles transfer to the Body all employees of the Countryside Council for Wales (except those undertaking policy work for the Welsh Ministers), and those employees of the Environment Agency and Forestry Commissioners who are assigned to functions which are transferred to the Body in accordance with the Order. Employees of the Countryside Council for Wales and the Forestry Commissioners who are undertaking policy work for the Welsh Ministers on behalf of the Welsh Ministers are transferred to become members of staff of the Welsh Government.

Articles 12 to 14 make provision about the continuing effect of things done before the transfer, the modification of the scheme, and the further assurance to be provided by each transferor to give effect to the scheme.
