15 December 2014

Dear David

Thank you for your letter dated 2 December. As you are aware the Committee has just published their report on CAMHS and has already agreed to do some further work in this area specifically on prescription drugs and referral rates.

The timing of this work is uncertain at the moment as the Committee has just started considering the Qualifications Wales Bill and has agreed to conduct its next policy inquiry into supply teachers.

Therefore it is unlikely the Committee will have the capacity to undertake a piece of work on the Welsh Government's Autistic Spectrum Disorder (ASD) Strategic Action Plan for Wales before the end of this Assembly.

Yours Sincerely

Ann Jones AC / AM
Cadeirydd / Chair
