Dear *Darren*

The Petitions Committee has been considering the following petition from ABMU VICTIMS' SUPPORT GROUP and has collected 865 Signatures.

Petition Title - P 04-568 Public Inquiry into ABMU Health Board

We call upon the National Assembly for Wales to urge the Welsh Government to hold a full public inquiry in order to investigate the serious concerns raised about standards of care and complaints handling within ABMU Health Board that have caused so much avoidable harm and suffering for patients and bereaved relatives at hospitals administered by the Board and its predecessor bodies and, where necessary, to hold the Chief Executive and the Management Team to account

We last considered this petition on 9 December and Members agreed to ask that the petition be taken into account in the work your Committee is undertaking on the health board governance in NHS Wales.
