

P-04-609 Support Small Businesses – Support our High Streets

Petition wording

We call upon the National Assembly for Wales to urge the Welsh Government to extend the relief available for small businesses beyond March 2015. In addition we ask that the decision be made and announced as soon as possible, ideally before the end of 2014, in order that business planning and development is not delayed.

Additional information:

Small businesses form the backbone of our Town Centres and High Streets. In order that business recovery and start up is supported, and the deterioration in our towns and communities is arrested, this matter is urgent.
