

# **Health and Social Care Committee**

## **Consultation on terms of reference for inquiry into residential care for older people**

### **RC13 ToR – Crossroads Care**

I believe that there is scope within the draft terms of reference to examine the skills mix of the workforce, including language. Also, the significance of the role that the unpaid carer plays with the delivery of care in such settings, including inspection, new and developing new models. The accessibility to all groups and the equitable nature of them pan Wales.
