Dear Minister

Housing (Wales) Bill

Thank you for attending Finance Committee on 5 February to answer Members questions on the financial aspects of the Housing (Wales) Bill.

During the evidence session, you agreed to send a note to Committee on:

- data sharing of Housing Benefit
- spending on Gypsy and Traveller sites
- amendments at Stages 2 and 3 that will seek to change any financial aspects in the Bill.

During our evaluation of the session Members also asked that you provide a note identifying how the proposed £1m savings associated with the priority need status of prisoners has been calculated.

We would be grateful for a quick response in this instance to enable the Committee to report on the Bill before the required deadline of 21st March 2014.

Yours sincerely
