

**P-04-477 Support for the Control of Dogs (Wales) Bill. Correspondence -  
Petitioner to the Chair. 9.02.16**

Dear Petition Committee Chair,

Thank you for your email below, as last year April 2015 Rebecca Evans, the Deputy Minister for Farming and Food asked the RSPCA Cymru to undertake a review of responsible dog ownership in Wales and to provide her with their findings and recommendations after the summer recess. I would therefore like to keep the petition alive until I know what the results and recommendations are from RSPCA Cymru to the Welsh Government.

Regards

Dilwar Ali
