(2) In such a case—

~~the Senedd electoral region in which
the Senedd constituency is included, or~~

(b) an individual who is a candidate to be a Senedd regional member for that Senedd electoral region.

(4) The Senedd constituency member for the Senedd constituency is to be returned under the simple majority system.

(5) The Senedd regional members for the Senedd electoral region are to be returned under the additional member system of proportional representation provided for in this Part.

(6) In this Act "registered political party" means a party registered under Part 2 of the Political Parties, Elections and Referendums Act 2000 (c. 41).

~~7 Candidates at general elections~~

- (1) At a general election a person may not be a candidate to be the Senedd constituency member for more than one Senedd constituency.
- (2) Any registered political party may submit a list of candidates for return as Senedd regional members for a particular Senedd electoral region at a general election.
- (3) The list must be submitted to the regional returning officer.
- (4) The list must not include more than twelve persons (but may include only one).
- (5) The list must not include a person—
- (a) who is included on any other list submitted for the Senedd electoral region or any list submitted for another Senedd electoral region,
- (b) who is an individual candidate to be a Senedd regional member for the Senedd electoral region or another Senedd electoral region,
- (c) who is a candidate to be the Senedd constituency member for a Senedd constituency which is not included in the Senedd electoral region, or
- (d) who is a candidate to be the Senedd constituency member for a Senedd constituency included in the Senedd electoral region but is not a candidate of the party.
- (6) A person may not be an individual candidate to be a Senedd regional member for the Senedd electoral region if that person is—
- (a) included on a list submitted by a registered political party for the Senedd electoral region or another Senedd electoral region,
- (b) an individual candidate to be a Senedd regional member for another Senedd electoral region,

- (c) a candidate to be the Senedd constituency member for a Senedd constituency which is not included in the Senedd electoral region, or
(d) a candidate of any registered political party to be the Senedd constituency member for a Senedd constituency included in the Senedd electoral region.
- (7) In this Act "regional returning officer", in relation to a Senedd electoral region, means the person designated as the regional returning officer for the Senedd electoral region in accordance with an order under section 13.

8 Calculation of electoral region figures

- (1) This section and section 9 are about the return of Senedd regional members for an electoral region at a general election.
- (2) The person who is to be returned as the Senedd constituency member for each Senedd constituency in the Senedd electoral region is to be determined before it is determined who are to be returned as the Senedd regional members for the Senedd electoral region.
- (3) For each registered political party by which a list of candidates has been submitted for the Senedd electoral region—
- (a) there is to be added together the number of electoral region votes given for the party in the Senedd constituencies included in the Senedd electoral region, and
- (b) the number arrived at under paragraph (a) is then to be divided by the aggregate of one and the number of candidates of the party returned as Senedd constituency members for any of those Senedd constituencies.
- (4) For each individual candidate to be a Senedd regional member for the Senedd electoral region there is to be added together the number of electoral region votes given for the candidate in the Senedd constituencies included in the Senedd electoral region.
- (5) The number arrived at—
- (a) in the case of a registered political party, under subsection (3)(b), or
- (b) in the case of an individual candidate, under subsection (4),
- is referred to in this Act as the electoral region figure for that party or individual candidate.

9 Allocation of seats to electoral region members

- (1) The first seat for the Senedd electoral region is to be allocated to the party or individual candidate with the highest electoral region figure.

- (2) The second and subsequent seats for the Senedd electoral region are to be allocated to the party or individual candidate with the highest electoral region figure after any recalculation required by subsection (3) has been carried out.
- (3) This subsection requires a recalculation under paragraph (b) of section 8(3) in relation to a party—
- (a) for the first application of subsection (2), if the application of subsection (1) resulted in the allocation of a Senedd seat to the party, or
 - (b) for any subsequent application of subsection (2), if the previous application of that subsection did so, and a recalculation is to be carried out after adding one to the aggregate mentioned in that paragraph.
- (4) An individual candidate already returned as an Senedd constituency member or Senedd regional member is to be disregarded.
- (5) Seats for the Senedd electoral region which are allocated to a party are to be filled by the persons on the party's list in the order in which they appear on the list (disregarding anyone already returned as a Senedd constituency member, including anyone whose return is void).
- (6) Once a party's list has been exhausted (by the return of persons included on it as Senedd constituency members or by the previous application of subsection (1) or (2)), the party is to be disregarded.
- (7) If (on the application of subsection (1) or any application of subsection (2)) the highest electoral region figure is the electoral region figure of two or more parties or individual candidates, the subsection applies to each of them.
- (8) However, if subsection (7) would mean that more than the full number of seats for the Senedd electoral region were allocated, subsection (1) or (2) does not apply until—
- (a) a recalculation has been carried out under section 8(3)(b) after adding one to the number of votes given for each party with that electoral region figure, and
 - (b) one has been added to the number of votes given for each individual candidate with that electoral region figure.
- (9) If, after that, the highest electoral region figure is still the electoral region figure of two or more parties or individual candidates, the regional returning officer must decide between them by lots.

6 Voting at general elections

- (1) Each person entitled to vote at a general election in a Senedd constituency may give a vote for—

(a) a registered political party that has submitted a list of candidates to be Members of the Senedd for the constituency, or

(b) an individual who is a candidate (“an individual candidate”) to be a Member of the Senedd for the constituency.

(2) In this Act “registered political party” means a party registered under Part 2 of the Political Parties, Elections and Referendums Act 2000 (c. 41).

7 Candidates at general elections

(1) A registered political party may submit a list of candidates to be Members of the Senedd for a particular Senedd constituency at a general election.

(2) The list must be submitted to the constituency returning officer.

(3) The list must not include more than eight people (but may include only one).

(4) The list must not include a person—

(a) who is included on another list submitted under this section (whether for the constituency or another constituency);

(b) who is an individual candidate to be a Member of the Senedd (whether for the constituency or another constituency).

(5) A person may not be an individual candidate to be a Member of the Senedd for a constituency if that person is—

(a) included on a list submitted under this section (whether for the constituency or another constituency);

(b) an individual candidate to be a Member of the Senedd for another constituency.

(6) In this Act, “constituency returning officer”, in relation to a Senedd constituency, means the person designated as the returning officer for the constituency in accordance with an order under section 13 (power of the Welsh Ministers to make provision about elections etc.)

8 Calculation of seat allocation figures

(1) This section and section 9 are about the allocation, to registered political parties or individual candidates, of the seats for a Senedd constituency at a general election.

(2) For each registered political party by which a list of candidates has been submitted under section 7 (candidates at general elections) for the constituency—

(a) the votes given in the constituency for the party are to be added up, and

(b) the number arrived at under paragraph (a) is to be divided by the seat allocation divisor.

(3) On the first calculation for a party under subsection (2)(b), the seat allocation divisor for the party is one
(section 9 makes provision about recalculations under that
subsection with an increased divisor).

(4) For each individual candidate to be a Member of the
Senedd for the constituency, the votes given in the
constituency for the candidate are to be added up.

(5) The number arrived at—
(a) in the case of a registered political party, under
subsection (2)(b), or
(b) in the case of an individual candidate, under subsection
(4),
is referred to in section 9 as the “seat allocation figure” for
that party or individual candidate.

9 Allocation of seats

(1) The first seat for a Senedd constituency is to be
allocated to the registered political party or individual
candidate with the highest seat allocation figure.

(2) The second and subsequent seats for the constituency
are to be allocated to the party or individual candidate with
the highest seat allocation figure after any recalculation
required by subsection (3) has been carried out.

(3) This subsection requires a recalculation of the seat
allocation figure for a registered political party—
(a) for the first application of subsection (2), if the
application of subsection (1) resulted in the allocation to the
party of a seat for the constituency, or
(b) for any subsequent application of subsection (2), if the
previous application of that subsection resulted in the
allocation to the party of a seat for the constituency,
and each recalculation is to be carried out under section
8(2)(b) after adding one to the previous seat allocation
divisor for that party.

(4) An individual candidate already allocated a seat as a
Member of the Senedd for the constituency is to be
disregarded when applying subsection (2).

(5) Seats for the constituency that are allocated to a party
are to be filled by the candidates on the party’s list in the
order in which they appear on the list.

(6) Once a party’s list has been exhausted (by the
application of subsection (1) or (2)), the party is to be
disregarded when applying subsection (2).

(7) If, on the application of subsection (1) or on an
application of subsection (2), the highest seat allocation
figure is the seat allocation figure for two or more parties or
individual candidates (referred to in subsection (8) as the
“tied seat allocation figure”), subsection (1) or (2) (as the
case may be) applies to each of them.

<p><u>(8) But if subsection (7) would mean that more than the full number of seats for the constituency were allocated, subsection (1) or (2) is not to be applied until—</u></p> <p><u>(a) a recalculation of the seat allocation figure for any party with the tied seat allocation figure has been carried out under section 8(2)(b) after adding one to the number arrived at under section 8(2)(a), and</u></p> <p><u>(b) one has been added to the number arrived at under section 8(4) for any individual candidate with the tied seat allocation figure.</u></p> <p><u>(9) If, after that, the highest seat allocation figure is still the seat allocation figure for two or more parties or individual candidates (so it is still the case that more than the full number of seats for the constituency would be allocated), the constituency returning officer must decide between them by lots.</u></p>	
<p><u>10 Constituency vacancies</u></p> <p><u>(1) This section applies if the seat of a Senedd constituency member returned for a Senedd constituency is vacant.</u></p> <p><u>(2) Subject to subsection (7), an election must be held in the Senedd constituency to fill the vacancy.</u></p> <p><u>(3) At the election, each person entitled to vote only has a constituency vote; and the Senedd constituency member for the Senedd constituency is to be returned under the simple majority system.</u></p> <p><u>(4) The date of the poll at the election must be fixed by the Presiding Officer.</u></p> <p><u>(5) The date must fall within the period of three months beginning with the occurrence of the vacancy.</u></p> <p><u>(6) But if the vacancy does not come to the Presiding Officer's notice within the period of one month beginning with its occurrence, the date must fall within the period of three months beginning when it does come to the Presiding Officer's notice.</u></p> <p><u>(7) The election must not be held if it appears to the Presiding Officer that the latest date which may be fixed for the poll would fall within the period of three months ending with the day on which the poll at the next ordinary general election would be held (disregarding section 4).</u></p> <p><u>(8) The standing orders must make provision for determining the date on which a vacancy occurs for the purposes of this section.</u></p> <p><u>(9) A person may not be a candidate in an election to fill a vacancy if the person is—</u></p> <p><u>(a) a Member of the Senedd, or</u></p> <p><u>(b) a candidate in another such election.</u></p>	<p>Bil SC(AE) Rhan 2 Adran 9(2)</p>
