Dear Mike,

Thank you for your letter of 27 July regarding Petition P-05-690 Resurfacing of the A40 Raglan-Abergavenny Road.

The A40 at this location is not life expired and there are currently no plans to resurface this section.

The section, adjacent to Raglan Castle, has not been identified as an area requiring noise mitigation works at the present time. However, a section of the A40 to the west of the A40/Usk Road roundabout has been identified as a Priority 1 area. This section is approximately 650 metres long from the roundabout to just past the over-bridge that carries the roadway leading to The Dell and Cefn Coch Farm.

Funding is allocated annually on a priority basis and the commencement of work is dependant on the budgets available. For this reason I am unable to give an exact forecast of when the works will take place.

The current priority list will be reviewed following the next noise surveying exercise of the motorway and trunk road network, which is programmed to start in 2017.

Yours ever,
Ken
