Bil yr Undebau Llafur (Cymru)

Trade Union (Wales) Bill

Ymateb gan: Cymdeithas Genedlaethol yr Ysgolfeistri ac Undeb yr Athrawesau (NASUWT)

Response from: National Association of Schoolmasters Union of Women Teachers (NASUWT)

Although the NASUWT will not be able to meet today's deadline for the submission of written evidence, I wish to clarify that, as a member of the Wales TUC General Council, we support the submission made by Wales TUC.

The NASUWT is the largest teachers' union in Wales representing teachers and school leaders. I would be grateful if you would convey this view to the Equality, Local Government and Communities Committee.

Regards,

Rex Phillips
