Dear Mike,

Thank you for your letter of 4 October 2016, which we received on 23 March, regarding the road surface on the A40 at Raglan.

Further to my reply of 16 August 2016, the position with regard to surfacing remains unchanged. However, work will commence in 2017/18 designing suitable noise mitigation measures for the priority 1 section of the A40 / Usk Road roundabout.

The current priority list will also be reviewed this financial year following a new noise survey of the motorway and trunk road network.

Priorities could therefore change and new sections enter the programme.

*Yours ever,
Ken*
