21 June 2017

Dear

Thank you for your letter of 6 June in relation to Petition P-05-767 regarding safety concerns for the A487 trunk road through Tre-Taliesin and Tre'r Ddol.

We have received correspondence on this matter from the local community and those concerns have been logged for consideration as part of our ongoing work.

We have advised that we will be investigating possible safety measures for the A487 through Taliesin and Tre'r Ddol this financial year. This will include speed surveys and a pedestrian crossing assessment.

We have also received a request from residents for permission to install two white gates on the wide grass verges either side of the A487 shortly before entering the south end of Tre-Taliesin. We advised that we are satisfied that the enhanced village gateway signs and road markings that are already in place in Tre-Taliesin facilitate traffic calming and that the local community are not authorised to place any equipment on the trunk road network.

Yours sincerely,

Ken Skates AC/AM
