Dear David

Thank you for your letter of 12 March in respect of your discussions at the Petitions Committee meeting on 27 February about publically sharing asbestos data collected as part of the condition survey.

Further to my letter of 6 February, my officials continue to work with local authorities to ensure that information received is current and that any gaps in the information are addressed.

Although I acknowledge your recommendation to publish this information; I feel I will be best placed to consider the most appropriate way to deal with this, once my officials have completed this validation work.

Yours sincerely
