16 April 2018

Thank you for your further letter of 23 March on behalf of the Petitions Committee regarding the Tata Steel Port Talbot power plant.

To date we have announced £8 million of funding towards an £18 million investment by Tata in the improvement of the power plant at Port Talbot to reduce energy costs and cut carbon emissions. We are continuing to work closely with Tata Steel on other specific packages of potential support. The detail of those discussions is commercially confidential.
