Regarding the consultation into the implications of Brexit on areas within the Culture, Welsh Language and Communications Committee's remit, ELEN wishes to reiterate its position concerning the effect of Brexit on Welsh.

Our position was formulated firstly in 2016 in an open letter with our member organisations, see: <https://elen.ngo/2016/06/20/an-open-letter-llythyr-agored-lyther-ygor-litir-oscailte-our-language-communities-benefit-from-our-membership-of-the-european-union/>

Secondly, we have called for an intergovernmental and civil society working group that will work to address the upcoming problems for Welsh and the other Celtic languages in the UK because of Brexit. See: <https://elen.ngo/2017/05/31/elen-call-for-an-intergovernmental-working-group-to-address-the-threat-of-brex-it-to-the-celtic-languages/>
