

## **Explanatory Memorandum to the Environmental Noise (Wales) (Amendment) (EU Exit) Regulations 2019**

This Explanatory Memorandum has been prepared by the Environment and Communities Division of the Welsh Government and is laid before the National Assembly for Wales in conjunction with the above subordinate legislation and in accordance with Standing Order 27.1.

### **Minister's Declaration**

In my view, this Explanatory Memorandum gives a fair and reasonable view of the expected impact of the Environmental Noise (Wales) (Amendment) (EU Exit) Regulations 2019.

I have made the statements required by the European Union (Withdrawal) Act 2018. These statements can be found in Part 2 of the annex to this memorandum.

Lesley Griffiths

**Minister for Environment, Energy and Rural Affairs**

13 February 2019

## **PART 1**

### **1. Description**

- 1.1 These Regulations (“the 2019 Regulations”) make amendments to the Environmental Noise (Wales) Regulations 2006 (“the 2006 Regulations”) in order to address failures of retained EU law to operate effectively and other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

### **2. Matters of special interest to the Constitutional and Legislative Affairs Committee**

- 2.1 This instrument is being made under powers conferred by section 11 of and paragraph 1(1) of Schedule 2 to, the European Union (Withdrawal) Act 2018 (“the 2018 Act”).
- 2.2 As set out in the Ministerial statement in Part 2 of this Explanatory Memorandum it is proposed that the instrument be subject to negative procedure. The instrument makes minor and technical changes and as such should be subject to annulment.
- 2.3 The Constitutional and Legislative Affairs Committee considered the regulations for sifting on 7 January 2019 and approved that the “appropriate procedure for these Regulations is the negative resolution procedure.” It is, therefore, confirmed that the instrument will follow the negative procedure. A copy of the Committee’s report can be found [here](#).

### **3. Legislative background**

- 3.1 This instrument is being made using the power conferred by section 11 and paragraph 1(1) of Schedule 2 to the 2018 Act in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the European Union.

### **4. Purpose and intended effect of the legislation**

#### ***What did any relevant EU law do before exit day?***

- 4.1 The 2006 Regulations implement Directive 2002/49/EC of the European Parliament and of the Council of 25 June 2002 relating to the assessment and management of environmental noise (“the Directive”). They require the Welsh Ministers to make and, from time to time, review and revise, strategic noise maps and noise action plans, including for major roads, major railways and agglomerations. They put similar requirements on operators of non-designated major airports, of which there are currently none in Wales.

### ***Why is it being changed?***

- 4.2 The minor and technical changes made by the 2019 Regulations are necessary to ensure that the 2006 Regulations continue to operate effectively. The changes made to ensure that they operate effectively include the removal of references to “the Commission”, and replacing references to “Member States” with references to “the Welsh Ministers”.

### ***What will it now do?***

- 4.3 The changes will ensure that the domestic requirements placed on Welsh Ministers and non-designated major airport operators (of which there are none in Wales) by the 2006 Regulations and the Directive are the same after exit day as immediately prior to exit day. Requirements to report strategic noise maps and noise action plans to the European Commission will no longer apply, though they will continue to be published, as they are now.

## **5. Consultation**

- 5.1 As there is no policy change, no public consultation was undertaken. The purpose of the instrument is solely to enable the current domestic legislative and policy framework to remain unchanged by the withdrawal of the United Kingdom from the European Union.

## **6. Regulatory Impact Assessment (RIA)**

- 6.1 No impact assessment has been produced in relation to these Regulations as no impact on the private, voluntary or public sectors is foreseen. This legislation has no impact on the statutory duties (sections 77-79 of the Government of Wales Act 2006) or statutory partners (sections 72-75 of the Government of Wales Act 2006).

## Part 2

### Statements required when using enabling powers under the European Union (Withdrawal) 2018 Act

#### 1. Sifting statement(s)

The Minister for Environment, Energy and Rural Affairs has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Environmental Noise (Wales) (Amendment) (EU Exit) Regulations 2019 should be subject to annulment in pursuance of a resolution of the National Assembly for Wales (i.e. the negative procedure). This is the case because the changes made are minor and technical in nature.”

#### 2. Appropriateness statement

The Minister for Environment, Energy and Rural Affairs has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view the Environmental Noise (Wales) (Amendment) (EU Exit) Regulations 2019 do no more than is appropriate. This is the case because all the changes being made are solely in order to address deficiencies arising from EU exit.”

#### 3. Good reasons

The Minister for Environment, Energy and Rural Affairs has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action. #### 4. Equalities

4.1 The Minister for Environment, Energy and Rural Affairs has made the following statement:

“The instrument does not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts.”

- 4.2 The Minister for Environment, Energy and Rural Affairs has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In relation to the instrument, I, Lesley Griffiths, have had due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.”
