Dear David

Thank you for your letter of 21 February regarding the banning of third party sales.

It is absolutely essential we address the root cause of any welfare concerns in changes to legislation. Information on the supply chain of puppies is of particular significance in this process and, as I announced in December 2018, I launched a consultation on the 19 February.

Following the deadline of the 17 May officials will analyse the responses and I will make an announcement on next steps after the summer recess.

Regards  
Lesley
