

Explanatory Memorandum to The Seeds (Amendment etc.) (Wales) (EU Exit) Regulations 2019

This Explanatory Memorandum has been prepared by Department for Energy, Planning and Rural Affairs and is laid before the National Assembly for Wales in conjunction with the above subordinate legislation and in accordance with Standing Order 27.1.

Minister's Declaration

In my view, this Explanatory Memorandum gives a fair and reasonable view of the expected impact of The Seeds (Amendment etc.) (Wales) (EU Exit) Regulations 2019.

I have made the statements required by the European Union (Withdrawal) Act 2018. These statements can be found in Part 2 of the Annex to this memorandum.

Lesley Griffiths

Minister for Environment, Energy and Rural Affairs

16 July 2019

PART 1

1. Description

These Regulations make related amendments to the Marketing of Fruit Plant and Propagating Material (Wales) Regulations 2017 and The Marketing of Seeds and Plant Propagating Material (Amendment) (Wales) (EU Exit) Regulations 2019. These Regulations transpose EU legislation and correct operability issues that would arise after Exit.

2. Matters of special interest to the Constitutional and Legislative Affairs Committee

- 2.1 Part 2 of these Regulations is made in exercise of powers conferred by section 2(2) of the European Communities Act 1972 while Part 3 of these Regulations is made in exercise of powers in paragraph 1(1) of Schedule 2 to the European Union (Withdrawal) Act 2018 (“the 2018 Act”). Part 3 of these Regulations comes into force immediately before “exit day”, which is defined as 31 October 2019 at 11.00 pm.

As set out in the Ministerial statement in Part 2 of the Annex to this Explanatory Memorandum it is proposed that the instrument be subject to the negative procedure. The instrument makes minor and technical changes and as such should be subject to annulment.

3. Legislative background

- 3.1 Part 2 of these Regulations is made in exercise of powers conferred by section 2(2) of the European Communities Act 1972. Part 3 of these Regulations is made in exercise of powers conferred by paragraph 1(1) of Schedule 2 to the 2018 Act in order to address failures of retained EU law to operate effectively due to the withdrawal of the United Kingdom from the European Union.
- 3.2 In accordance with the requirements of the 2018 Act the Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the relevant statements set out in Part 2 of the Annex to this Explanatory Memorandum.
- 3.3 This instrument makes amendments which are legally necessary to achieve its objectives. It does not represent any changes of policy and it will not produce any impact on businesses or the public.

4. Purpose and intended effect of the legislation

What did any relevant EU law do before exit day?

4.1 These Regulations amends two pieces of domestic legislation:

- The Marketing of Fruit Plant and Propagating Material (Wales) Regulations 2017; and
- The Marketing of Seeds and Plant Propagating Material (Amendment) (Wales) (EU Exit) Regulations 2019.

4.2 Council Directive 2008/90/EC (“the Fruit Directive”) prescribes marketing standards for fruit plant propagating material to ensure minimum quality standards and traceability. It allows each Member State to authorise in respect of its territory the marketing of planting material produced in countries outside the European Union which the Member State considers to have equivalent production standards. The Directive is transposed by the Marketing of Fruit Plant and Propagating Material (Wales) Regulations 2017.

Why is it being changed?

4.23 The Fruit Directive allows a Member State, during a specified period, to authorise in respect of their territory the marketing of fruit plant material produced in countries outside the European Union which that Member State considers to have equivalent production standards. The Marketing of Fruit Plant and Propagating Material (Wales) Regulations 2017 transposed this provision which was time limited. That limit has been extended by Commission Decision (EU) 2019/120. These Regulations provide for the new EU timeframe relating to the Fruit Directive and makes exit deficiency amendments with regards to references to the European Union.

What will it now do?

4.24 These Regulations will enable the Welsh Ministers to authorise the marketing, in Wales, of fruit plant and propagating material from any country outside of the EU if satisfied the plant material has been produced under conditions equivalent to those required in domestic legislation. The Marketing of Seeds and Plant Propagating Material (Amendment) (Wales) (EU Exit) Regulations 2019 are amended to ensure that the amendment made by regulation 2 of these Regulations continues to operate effectively after the withdrawal of the United Kingdom from the European Union.

5. Consultation

- 5.1** As there is no policy change, no public consultation was undertaken. The purpose of the instrument is to enable the current legislative and policy framework to remain unchanged by the withdrawal of the United Kingdom from the European Union.

6. Guidance

- 6.1 There is no associated guidance in respect of this Statutory Instrument.

7. Regulatory Impact Assessment (RIA)

- 7.1 The impact on business, charities or voluntary bodies is minimal.

8. Monitoring & review

- 8.1 As this instrument is made under the Withdrawal Act, no extra review arrangement is required.

Part 2

Statements required when using enabling powers under the European Union (Withdrawal) 2018 Act

1. 1. Sifting statement

The Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view The Seeds (Amendment etc.) (Wales) (EU Exit) Regulations 2019 should be subject to annulment in pursuance of a resolution of the National Assembly for Wales (i.e. the negative procedure)”. This is the case because the changes being made are technical in nature and make no substantive changes to how the Marketing of Fruit Plant and Propagating Material (Wales) Regulations 2017 and The Marketing of Seeds and Plant Propagating Material (Amendment) (Wales) (EU Exit) Regulations 2019 operate.

2. Appropriateness statement

The Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view The Seeds (Amendment etc.) (Wales) (EU Exit) Regulations 2019 does no more than is appropriate”. This is the case because all the changes being made under the 2018 Act powers are solely in order to address deficiencies arising from EU exit.”

3. Good reasons

The Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In my view there are good reasons for the provisions in this instrument, and I have concluded they are a reasonable course of action”. This is because the provisions made under the 2018 Act powers ensure that protections provided by the statutory instrument being amended continue to be operable after the UK leaves the European Union.”

4. Equalities

4.1 The Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the following statement(s):

“The Seeds (Amendment etc.) (Wales) (EU Exit) Regulations 2019 do not amend, repeal or revoke a provision or provisions in the Equality Act 2006 or the Equality Act 2010 or subordinate legislation made under those Acts.”

- 4.2 The Minister for Environment, Energy and Rural Affairs, Lesley Griffiths, has made the following statement regarding use of legislative powers in the European Union (Withdrawal) Act 2018:

“In relation to the instrument, I, Lesley Griffiths have had due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010.”

Little or no impact on equalities is expected.
