

**P-05-873 Free Welsh Lessons for the People of Wales, Correspondence –  
Petitioner to Committee, 22.11.19**

The £90 course fee is a step in the right direction, however I strongly believe that people born and brought up in Wales i.e natives of Wales like myself should not be expected to pay to learn their native tongue. Please bear in mind that Welsh school children, who were taught Welsh in schools, were robbed of their native language when it was removed from the curriculum by the government back in the 60s.

This has not happened in other countries and should not have happened to Welsh children.

I ask that the government to please correct this injustice done to Welsh children by providing them with free Welsh lessons.

Kind regards,

Sheryl Callard
